NARRATIVE:

Hawkins, an Avalon Crip gang member, has an extensive adult criminal history that began at the age of 18. His convictions include robbery, battery, assault w/a deadly weapon, burglary, trespassing, possession of controlled substance, and violations of parole supervision. He has served multiple state prison terms, the longest an eleven (11) year term for assault w/a deadly weapon. Hawkins was released from state prison to the supervision of the Los Angeles County Probation Department on January 6th, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Hawkins qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance, is defined as non-serious and non-violent under the California penal code. His criminal history, status as a gang member, as well as his current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
